Please pass on to Wilma and Margaret my own thanks and appreciation (and that of the DCI) for the support they have rendered to the Foreign Area Officer Class as indicated in the attached letter. Their excellent work obviously contributed to the overall success of the Washington Interagency Field Trip in April.

The entire program was conducted in a very professional manner. Each briefer provided a unique insight into special areas of common interest to members of the FAO specialty and the intelligence community. The candid discussions and the question and answer periods following each briefing were most informative. The cooperation of the Central Intelligence Agency personnel in conducting the program reflects a genuine interest in exchanging valuable information essential to our training program.

Thank you for your continued support of our educational mission.

Respectfully,

Joseph C. Lutz
